## General

This policy serves as a guide for South England Exchange to collect, use and store all data fairly, accurately and in accordance with relevant legislation. It ensures the protection of data of students, host families and staff.

This policy has been sent to all current and past host families in the UK. New families will see this policy when they register with SEE. Partners and students are required to acknowledge this policy when applying for a space.

## Relevant Legislation

This policy is based on the requirements stated in the following:

- Data Protection Act 1998
- Freedom of Information Act 2000
- General Data Protection Regulation 2018

South England Exchange will review this policy and adapt it to reflect changes in the law when they occur.

## Registration with the Information Commissioner's Office

South England Exchange Ltd is registered with the Information Commissioner's Office (ICO) with the registration number ZA796784. The registration is renewed annually.

# Data Protection and Privacy Note

## Data held by South England Exchange

South England Exchange collects data from potential host families, students and schools. This includes

- Full legal names
- Date of birth
- Gender
- Professional background
- Address
- Telephone number
- Email address
- Family members, their names and ages
- Contact details for students' parents
- Medical information, medication

International Students, The Wheelhouse, Bond's Mill Estate, Bristol Road, Stonehouse, Gloucestershire GL10 3RF, [www.aegisuk.net](http://www.aegisuk.net)) for the purposes of SEE's accreditation and reaccreditation only. AEGIS will store the data in a safe way and delete them when (re)accreditation is complete.

### Data storage and protection

South England Exchange: SEE stores family and student information for 10 years.

Data is stored on Zoho Creator and on Google Drive. There are no files or storage on any other software. Both platforms (Zoho and Google) are technically secure and GDPR compliant. Google Drive Data is only shared with SEE staff. Data about host family initial and annual visits is kept on paper in a locked cabinet.

Where data is shared with partner organisations, students, host families or schools, this is done using G Suite for Business. G Suite is technically secure and GDPR compliant. Recipients of messages are asked never to download personal data to their computers or devices.

All staff agree to be bound by data protection legislation. Downloading student or host family data onto computers and devices is not allowed. All information is accessed on the safe Drive only.

Host Families: Host families are required to delete all student data if the student is not coming to stay with them or after the student has left. Downloads are not permitted. Host families commit to not sharing student data. SEE will send student files only to host families who have acknowledged our GDPR commitment and whose acknowledgement is stored on Zoho database.

Students: Students commit to not sharing or downloading host family data and to deleting or destroying it once it is no longer needed.

Partner organisations: All our partner organisations are in the EEA, Argentina or Japan and bound by GDPR legislation or equivalent. Each partner organisation is responsible for ensuring data protection with their students and natural families. They acknowledge this policy each time they sign up a student with us.

Schools, Social Services, authorities: Each of these organisations is bound by GDPR legislation and has their own policy which we expect them to follow.

### Data breaches

If a breach in data protection occurs accidentally or knowingly, SEE will contain it, record it and assess the risk to the data subjects concerned. Factors to be considered are the number of data subjects

impacted, the volume of breached data per individual, the likelihood of adverse consequences for the subjects, the severity of the adverse consequence for the subject. Where there is a negligible risk, the breach will be dealt with internally. If a risk to the freedom and rights of the data subject is likely, the breach will be notified to the ICO. Whenever there is a high risk of the data subject being impacted, SEE will inform the data subject of the breach and the subsequent actions taken to contain it.

### Your rights

Data subjects have the right to request a report of any of their data held or shared at any point. Data deletion can be requested. Consent to have data collected and stored can be withdrawn at any point and confirmation of such will be sent within 24 hours. Data subjects can request to have their data updated or rectified if wrong. Complaints can be directed to SEE and / or the Information Controller's Office (ICO).
